▶ **The Center for Specialty Therapy**

Comprehensive care in the community.

YAI's Center for Specialty Therapy is committed to enhancing the lives of people with disabilities through a range of therapies to support greater independence.

Highly skilled clinicians are uniquely qualified to serve people with a wide array of special needs, including autism spectrum disorder, cerebral palsy, epilepsy, neurological impairment, and other developmental and physical disabilities.

Our mission is to help others achieve the fullest life possible by creating new opportunities for **living, loving, working, and learning.**
