- November 8 - Open House
- November 14 - Special Visitors Day (2nd Floor)
- November 15 - Special Visitors Day (3rd Floor)

## Student Profile: Landon, Star E

MSA community, meet Landon! He came to MSA this year and couldn't be more excited to be with us! Landon first attended the Roosevelt Children's Center and transferred to MSA when his first school he attended after Roosevelt wasn't the right fit. Landon loves his older sister and is a very sociable kiddo! His favorite activity at MSA is going on the class trips to explore new places. Recently, we've discovered Landon's love for yoga at school, especially using the big exercise ball. He also loves anything that lights up and flashes, shines, or sparkles!

His family explained his stamina for walking has soared and he has been feeding himself with an utensil. Just two examples of the great progress he has made. Landon's mom, Helen, is grateful for the supportive environment and constant communication at MSA, "It has been great to have a flow of communication with the teacher, therapists and administration. We are so appreciative of the work everyone at MSA does to help Landon grow, and are so happy to be a part of the community" Helen emphasized.

**Great job, Landon! Keep up the good work!**

# 2018 MSA Halloween Event!

This Halloween, Manhattan Star Academy celebrated the day with a parade and carnival that was a scary good time! Students came dressed to impress, and strutted down our runway in their best spooky looks! Below are some of the photos, and you can find all the pictures from the event on our **Facebook** @ManhattanStarAcademy.

## TURKEY TRIATHLON 2018!

This year, MSA is proud to announce we're modifying our annual Thanksgiving event from a Turkey Trot to a **Turkey Triathlon**.

Students will participate in the event by being a part of an adaptive obstacle course designed by Coach Mike! We'll run, jump, bike, scoot, dance, and trot our way through the course with our turkeys on November 21 and we hope to see you there!

Make a gift to support your student's class and the class that raises the most gets a **pizza party!**
