

PREMIER HEALTHCARE OFFERS DERMATOLOGY AND ENDOCRINOLOGY AT ITS MIDTOWN MANHATTAN AND BAYSIDE, QUEENS CLINICS.

DERMATOLOGY

Premier's skilled dermatologists can help patients with:

- Psoriasis and eczema
- Hair loss (alopecia)
- Ringworm
- Rashes and skin discoloration
- Warts
- Scabies
- Skin abnormalities

ENDOCRINOLOGY

If you or a loved one have diabetes, you may be facing problems like:

- Elevated blood pressure
- Appetite abnormalities
- Malnutrition
- Obesity
- High Cholesterol
- Osteoporosis
- Thyroid issues

Staff are tested regularly for COVID-19 to ensure that providers and administrative professionals are healthy, minimizing risk for all. Premier HealthCare takes all major insurance.

If you are interested in seeing a Dermatologist or Endocrinologist for the first time, you can speak to your primary care provider for a referral or call Premier's call center at **212.273.6272**. You can also call Premier if you are receiving these services elsewhere and would like to transfer to Premier.
