

YAI Rockland County Association for People with Disabilities

The Rockland County Association for People with Disabilities, a member of the YAI network, operates programs in Rockland, Orange, Westchester, Dutchess, and Sullivan counties.

Programs are supervised by experienced and professional staff and designed to build life skills, promote self-esteem, as well as provide information and support services to families. RCAPD's goal is to support people with intellectual and developmental disabilities in leading productive, self-sufficient and integrated lives.
